

Vermont Wilderness School's

Apprenticeship Program

Training Mentors and Leaders in the Ways of Nature, Community and Awareness

Pursue life as if it's worth living.

Ask yourself the hard questions: Am I happy with my education ? Am I surprising myself with continual outrageous moments of learning ? Am I bounding out of bed each day to make my contribution to the world ? Do I live my life like I make a difference ?

*If I am not for myself, then who will be ?
and if I am only for myself, then what am I ?
and if not now, when ?
- Hillel, 1st Century*
