Financial Aid Application for The Art of Mentoring

Applicant Name:
Address:

Phone numbers:
Email Address:

We have a limited fund that enables people to participate that would otherwise not be able to afford the full cost of the Art of Mentoring. VWS dedicates 15% of program tuition income to fund scholarships, so the amount of money available for scholarships is in direct relation to the number of full paying participants in a given year. At times, we do not know the amount available until a date that nears the workshop date. We will let you know *as soon as possible* whether we can fulfill your request.

Note: We ask that those individuals receiving scholarship funds agree to a work/trade relationship. Please plan to stay until 4 pm on the final day of the workshop to help with the clean-up operation.

The maximum scholarship we can offer is 50%; please specify the amount of scholarship needed to enable your participation.

I feel I can afford to pay \$_____ for the Art of Mentoring on _____ (program date).

Please describe the reason(s) for your request of this scholarship: (use back page if necessary)

Please describe the relevance of this program to your current work or life goals and how you foresee taking the teachings of the program into the world: (use back page if necessary)

The deadline for receipt of scholarship applications is 2 weeks before the program date. Keep in mind, that the later you apply the further down on the list you will be for receipt of funds.
