Vermont Wilderness School
External Programs Scholarship Application

The Ingwe's Path Scholarship Fund will award scholarships for participation in a variety of nature awareness and mentoring programs that further VWS's vision, but are not offered by the School itself. The goal of the Ingwe's Path Scholarship Fund is to provide financial assistance to individuals who wish to participate in programs offered by the wide variety of teachers and institutions in our community, but who require financial assistance in order to do so.

The VWS Board of Directors will review each personal statement, and award available funds to the applications they find most in keeping with the School's vision. The Board will review applications on a monthly basis, and intends to communicate its decisions to applicants within 2 months of receipt of the personal statement.
