Financial Aid Application

We have a limited fund that enables people to participate that would otherwise not be able to afford the full cost of our programs and workshops. VWS dedicates 15% of program tuition income to fund scholarships, so the amount of money available for scholarships is in direct relation to the number of full paying participants in a given year. At times, we do not know the amount available until a date that nears the workshop date. We will let you know *as soon as possible* whether we can fulfill your request.

Note: We ask that those individuals receiving scholarship funds agree to a work/trade relationship. Please plan to stay until 4 pm on the final day of the workshop to help with the clean-up operation.

The maximum scholarship we can offer is 50%; please specify the amount of scholarship needed to enable your participation.

I feel I can afford to pay \$_____ for _____ (program applying for) on _____ (program date).

Please describe the reason(s) for your request of this scholarship: (use back page if necessary)

Please describe how you see this program impacting your life (or family/community's life) and/or your work: (use back page if necessary)

The deadline for receipt of scholarship applications is 2 weeks before the program date.
